TABLE TALK FOR MEN

June 6, 2026 | 8:00 AM | Windhoek, Namibia

DOES THIS SOUND FAMILIAR?

You're Successful On The Outside...

✗ You have a good job, maybe even a great one

✗ You provide for your family

✗ People respect you

✗ On paper, you're doing everything right

...But On The Inside?

✗ You feel isolated, like no one really knows you

✗ Your marriage is functional but not flourishing

✗ You're carrying burdens you never talk about

✗ You wonder: "Is this all there is?"

What if there was a place where...

You Could Finally Talk?

Not small talk. Not surface-level chatter. But real, honest, life-changing conversation with men who get it.

WHAT MEN ARE SAYING

I came thinking I'd listen. I left realizing I wasn't alone. For the first time in

This changed everything.
